¹⁰ 15 U.S.C. 78s(b)(2).

Commission determines that a longer period is appropriate and publishes the reasons for this determination, in which case the Commission may extend the period for issuing an order approving or disapproving the proposed rule change by not more than 60 days. The proposed rule changes were published for notice and comment in the Federal Register on April 29, 2013. October 26, 2013 is 180 days from that date, and December 25, 2013 (which is a Federal holiday) is an additional 60 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the Proposals so that the Commission has sufficient time to consider the Proposals, the issues raised in the comment letters that have been submitted in connection with the Proposals, and the response to these issues in the NYSE Euronext response letter. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹¹ designates December 24, 2013, as the date by which the Commission must either approve or disapprove the proposed rule changes SR-NYSE-2013-21 and SR-NYSEMKT-2013-25.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹²

Kevin M. O'Neill,
Deputy Secretary.
